## TIAAA Newsletter November 2017

### What is the TIAAA? [www.tiaaa.org](http://www.tiaaa.org)

The TIAAA is the professional organization for all high school or junior high/middle school athletic administrators in Tennessee. The TIAAA provides many services to its members and opportunities for professional development and networking.

Each year the association sponsors an annual conference for athletic directors held in Murfreesboro, Tennessee in early April. This conference allows for professional development, best practices, networking, and collaboration.

The TIAAA also sponsors national leadership training and certification programs for athletic directors, publishes a monthly informational newsletter, and sponsors an awards and recognition program for athletic directors.

We are a service to you, the athletic director. Our goal is to facilitate a community of athletic directors that pursues professional development and best practices.
